

TERM TIME CLASSES

Every child learns more when they are actively able to become involved in creating something whilst learning and when they are introduced to different techniques and tools for art.

Our methodology is carefully structured so every student can learn step-by-step how to draw/paint different subjects as well as understanding the creative processes that lie behind the making of art.

Every week we introduce all sort of drawing and painting media such as felt tip markers, watercolour, oil and chalk pastels, colour pencils collage and other drawing techniques.
